LOGLINE

A retired assassin and a relentless journalist uncover a secret society manipulating global power. But when they realize they're both bound by its legacy, they must destroy it from within—even if it means becoming the villains the world believes they are.

KEY CHARACTERS

Gabriel Voss

Former assassin. Haunted, brutal, seeking redemption.

Leila Stone

Journalist. Fearless, emotional, chasing the truth that got her sister killed.

Malcolm Stone

Cult leader. Charismatic, power-hungry, Leila's estranged father.

WHY IT SELLS

- ✓ High-concept, franchise-friendly thriller
- ✓ Personal stakes drive global tension
- ✓ Ideal for streamers seeking elevated action + emotional hooks
- ✓ Prestige characters with mainstream appeal
- ✓ Stylish, globally shootable, actor-driven

THE WORLD & STAKES

A global conspiracy hiding in plain sight.

Blood oaths. Hidden legacies.

To stop it, they must vanish into legend as the villain's history demands.
