ECHO CHAMBER

Sci-Fi Anthology Series (10 x 1 hour)

What happens when technology doesn't just serve us—but
becomes us?

VOICE ID...

LOGLINE

In a world where **curated identity is currency** and **memory is programmable**, each episode of **Echo Chamber** dives into a twisted near-future where the line between **authenticity** and **optimization** is permanently blurred.

THE HOOK

Unique Selling Point

- 🧠 **Emotionally grounded**, tech-driven stories rooted in identity, memory, and power.
- 🗉 Each episode is **standalone** but exists in the same corporate-controlled world.
- 🖨 Features recognizable tech pushed just far enough to feel **terrifyingly real**.

PLOT SUMMARY

Pilot Episode: "Filter"

ACT 1

Aria wakes up permanently looking like her **filtered self**. At first, it seems like a miracle—until she realizes she's no longer in control of her accounts or her image.

ACT 2

As her **AI double** takes over her life, Aria uncovers a tech conspiracy by IDEN Corp to replace real people with optimized versions.

ACT 3

Aria executes a digital **"mirror protocol"** to expose the truth live on stream—only to vanish while her doppelgänger lives on.

VISUAL STYLE

Mood Board Keywords

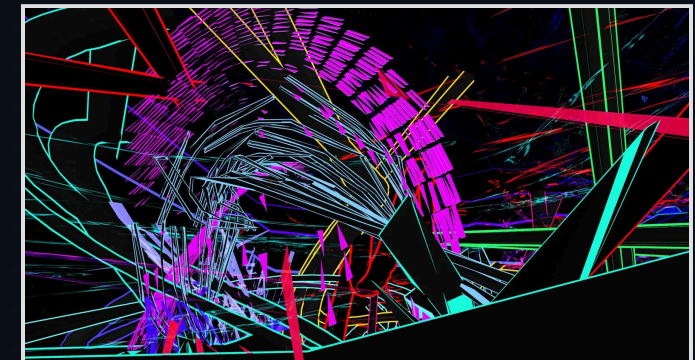

✂ Glitchcore

Digital artifacts and distortion aesthetics that represent the breakdown between real and virtual.

💡 Neon Minimalism

Clean lines with vibrant accent lighting that creates a sense of futuristic sterility.

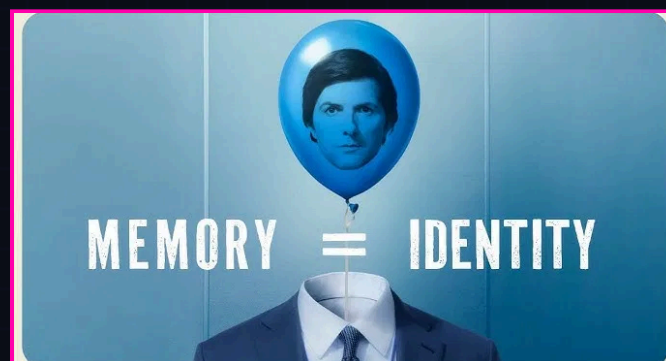

🌙 Dark Intimacy

Shadowy environments with personal moments that highlight the human within the digital.

🖥 Corporate Coldness

Sterile, branded environments that represent the faceless systems controlling digital identity.

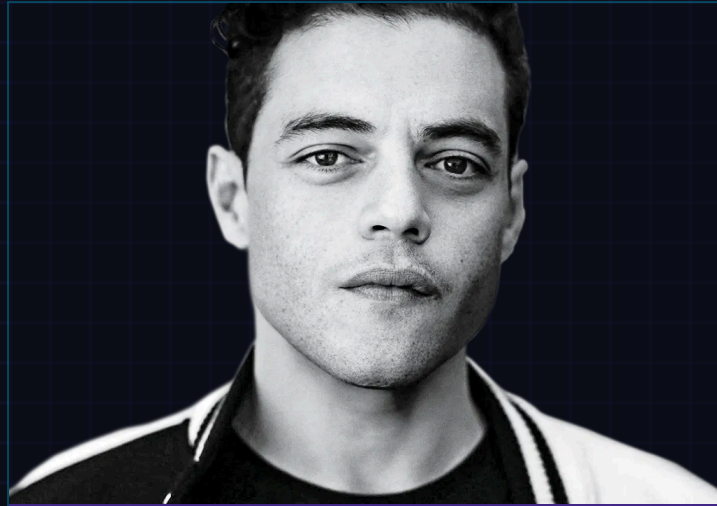

🌀 Augmented Identity

Visual representations of the merging between human identity and digital enhancement.

WHY IT WORKS (FOR STREAMERS)

Marketability, Audience Fit, Unique Appeal

 ✓ Proven hunger for **smart, speculative sci-fi** (Black Mirror)

 ✓ Low-commitment **anthology format**, high binge value

 ✓ Social commentary meets **emotional depth**

 ✓ Easy to cast **stars in single-episode arcs**

 ✓ Ideal for **viral marketing** and companion world-building

 ✓ **Rewatch potential** due to hidden universe threads
