

REFRACTIONS

One life. Two paths. Both can't survive.

SERIALIZED SCI-FI THRILLER | 1-HOUR DRAMA SERIES

LOGLINE

When the world's first human **clone escapes** the biotech lab that created her, she discovers others like her—each **fatally linked** to their "prime" originals who know nothing of their existence.

As the **body count rises**, the hunted must become hunters before their **borrowed time** runs out.

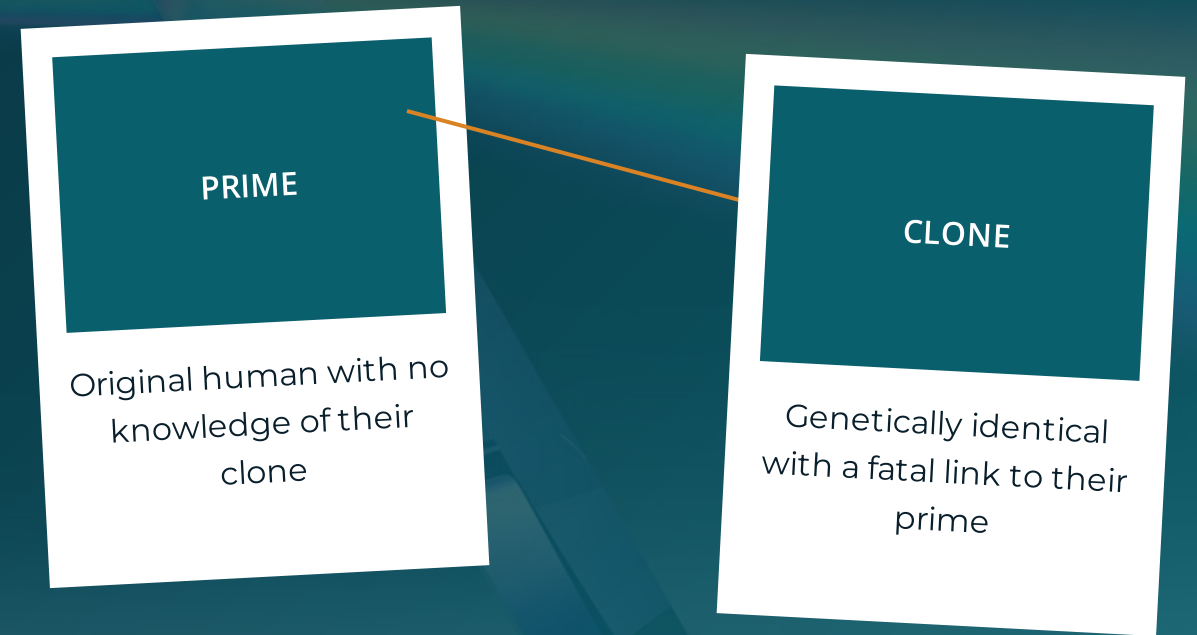

THE HOOK

Unique Selling Points

High-Concept Intrigue: A fatal link between clones and their originals creates a built-in ticking clock for every storyline.

Dual Roles for Key Cast: Each lead actor plays two distinct versions of the same person—opposite lives, opposite fates.

Genre + Heart: Combines edge-of-your-seat thriller with deeply human explorations of identity, free will, and belonging.
