TOPE

Se7en meets The Dark Knight with the moral ambiguity of Heat

KEYWORDS

- Vigilantism
- Systemic rot
- Moral choice
- Stylized justice

THE WORLD: **MERIDIAN CITY**

"The city that justice forgot."

- Grimy, vertical, corrupt to the core—where architecture reflects moral decay
- Shadow networks operate beneath polished skyscrapers and civic facades
- Visual references: Blade Runner 2049, The Batman, John Wick's Continental

MERIDIAN CITY ELEMENTS

- Towering skyscrapers with hidden criminal enterprises
- Perpetual rain and neon-lit streets
- Meridian Tower - the central symbol of power
- Class division reflected in vertical architecture

KEY CHARACTERS

KAITO ISHIKAWA

The Disgraced Detective

- Once a rising star, now fallen and jaded
- Haunted by her niece's death and betrayal by the system she served
- Her arc: justice vs revenge; idealism vs survival

SILAS VANCE / THE GHOST

The Urban Legend

- Tactical vigilante with a moral code
- Lost his family to the system and fights back from the shadows
- His arc: justice vs manipulation; healing vs destruction

MARCUS "MAC" THORNE

The Reformer Turned Executioner

- Brilliant ex-cop who faked his death to dismantle the system
- Designs poetic, public executions of the corrupt
- His arc: visionary or monster?
